

Plan now for the WALK

Celebrating 22 Years...

It's almost time for the 22nd Annual DrugFree Greenville WALKathon on April 17. This year's WALK will again be a great way for families and teams from schools, businesses and churches to get serious about prevention while having a whole lot of fun.

The WALK is also DrugFree Greenville's major fundraiser – we need everyone to “play the game” by making a donation! Funding for our community prevention programs depends on you.

The game we play is “Walkopoly” and the WALK route is our **game board**. You might cross the tracks of the Reading Railroad or find that some familiar streets have unfamiliar names (we haven't ALWAYS had a Boardwalk or Park Place in Greenville, have we???)

Here's how it works:

- Local sponsors buy Houses, Hotels, Game Pieces & Deed cards with their names on them for the **Walkopoly** drug prevention signs displayed before and after the WALK at the intersection of Hwy 34 & I-30
- **Walkers** also solicit sponsor donations for the 4-mile walk (this can be a certain amount per mile or a lump sum donation to DrugFree Greenville). YOUR donations are needed, even if you don't have a sponsor!
- Be at the **WALK** Saturday, April 17. Your presence is your personal statement of support.
- Register and turn in donations beginning at 8 am at Farmer's Market (3 blocks east of the courthouse)
- Warm-up activities pump up the **WALK** spirit beginning at 8:30 am at Farmer's Market
- WALK teams from businesses & organizations are encouraged to wear **team shirts** or carry their own **game pieces**
- Come back to Farmers Market after the WALK for the big **FINISH FINALE** – food, entertainment, a FREE souvenir, and activities. Even non-walkers are welcome at the celebration!
- Stay for lunch at **Appetite Alley's Taste of Greenville!**
- Enjoy the fantastic stage **Entertainment**
- Stroll the “**Free Parking**” **Car Show**
- Take the kids to **Game Street** to play the fun activities & bounce houses
- Purchase official collector “**Mr. Walkopoly**” T-shirts while supplies last

DrugFree Greenville's programs for both youngsters and adults **depend on your support** to continue. DrugFree operating funds come from right here in Greenville, most of them during the annual **WALK**. Put your best “feet” forward and walk the **WALK**. Join us in working for substance abuse prevention.
